WHAT WE DO

BACKGROUND

- Established in 2004
- We provide funding for education/vocation/practical training
- We aim - to support individuals to secure long-term employment.
- Help - to rebuild lives through meaningful employment and financial independence.

OUR VISION

To create a community individuals who have experienced addiction or mental health challenges can build emotional resilience, achieve independence and live fulfilling lives.

THE GATEWAY
FOUNDATION

OUR MISSION

Our mission focuses on providing access to tailored employment services and focused support for individuals who have successfully completed a rehabilitation program.
